QUEST
SUMMER CAMPS

JAPAN'S #1 TECH CAMP FOR KIDS

Choose from 10 sessions!
All run Monday - Friday.

Day camps in Tokyo
Overnight camps in Gunma

**JUNE 16 -
AUGUST 22**

REGISTER

Learn coding and other STEM skills using Minecraft, Python, Scratch, and more, all in Japan's most beautiful landscapes.

Meet Your Camps Lead

Meet Jaime, a passionate educator and skilled STEM instructor who leads our Code Quest camps!

With a psychology degree from Universidad Complutense de Madrid, extensive experience at a top coding bootcamp, and several years at Code Quest camps, Jaime is known for his ability to inspire and challenge his students through technology, all while having fun.

Jaime loves both tech and gaming, and his hobbies extend outdoors too to sports like football, padel tennis, and more.

Code Quest Camps Staff

Our camps are led by a team of passionate educators, tech experts, and experienced counselors who excel at working with kids. Coupled with expertise in coding, robotics, and/or digital design, Code Quest staff make learning fun, engaging, and hands-on. See what past Code Quest parents have had to say about our staff and camps below!

***"The camp seemed almost impeccable.
The counselors are always great!"***

***"The counselors were great with children and
our son enjoyed everything he did during the camp.
I hope they can continue to deliver excitement about
learning and encourage the kids to never give up!"***

***"The counselors were very helpful and kind! Thank you so
much for all the support. Our son will keep coming back!"***

TOKYO SESSIONS

Make this summer unforgettable with our **Code Quest: Tokyo** day camps! These 9:00 AM to 5:00 PM, Monday to Friday camps blend top-tier tech education with enriching outings in vibrant Tokyo.

What's Awaiting You?

- **Exhilarating Excursions:** At Code Quest Tokyo, our campers journey to top Tokyo's attractions and theme parks such as Yomiuriland, Hakkejima Sea Paradise, Miraikan Science Museum, Joypolis, and more. These outings ensure campers enjoy a balanced experience that includes entertainment **and** learning.
- **Lifelong Learning:** Engage in interactive coding lessons using Scratch and Python, and creative game design lessons in Minecraft and Roblox. Our curriculum is designed to stimulate curiosity and enhance problem-solving skills, with new projects each week and scaling difficulty levels to ensure students are always challenged.

Pricing: ¥115,000 (+10% tax) all-inclusive. We cover everything, from tech lessons, hands-on STEM activities, and all materials required for projects, to food, drinks, and all excursion costs.

Each camp day runs from approximately 9:00 AM to 5:00 PM, offering a full-day experience that perfectly balances camp time with family time. This camp is for children aged 5 to 12.

Session 1: Tokyo
June 16 - 20

Session 2: Tokyo
June 23 - 27

Session 3: Tokyo
June 30 - July 4

Session 4: Tokyo
July 7 - 11

Session 9: Tokyo
August 11 - 15

Session 10: Tokyo
August 18 - 22

GUNMA SESSIONS

In partnership with Nishimachi International School, **Code Quest: Gunma** sleepaway camps (running Monday - Friday) offer a refreshing mix of outdoor fun and educational STEM lessons for kids ages 6-12 in the gorgeous setting of Mt. Akagi's forested mountains and lakes.

What's Awaiting You?

- **Outdoor Adventures:** Gunma campers enjoy outdoor activities and trips around the whole prefecture, from thrilling canoe adventures to waterfall hikes, trips to bamboo groves and more. It wouldn't be a Gunma Summer camp without escapades in the great outdoors! Evenings are filled with campfires, film nights, and spirited water fights. Campers even get to master the art of pizza and s'more making with their counselors.
- **Lifelong Learning:** Engage in interactive coding lessons using Scratch and Python, and creative game design lessons in Minecraft and Roblox. Our curriculum is designed to stimulate curiosity and enhance problem-solving skills, with new projects each week and scaling difficulty levels to ensure students are always challenged.

Pricing: ¥150,000 (+10% tax) all-inclusive for 5 days and 4 nights. This is all inclusive, including meals accommodating all dietary needs, transportation to and from Tokyo to Gunma, and a comprehensive schedule of tech lessons and outdoor activities.

Session 3: Gunma
June 30 - July 4

Session 4: Gunma
July 7 - 11

Session 5: Gunma
July 14 - 18

Session 6: Gunma
July 21 - 25

Session 7: Gunma
July 28 - August 1

Session 8: Gunma
August 4 - 8

FREQUENTLY ASKED QUESTIONS (FAQ)

What will be taught at Code Quest camps?

Our camps will focus on coding, game design, and other STEM topics like robotics. Depending on your camper's age, they will learn and apply STEM fundamentals in Scratch, Python, Roblox, Minecraft, and more.

How many weeks of Code Quest camp will be offered this summer?

We will be running 12 different camps across 10 weeks this summer, from June 16 - August 22. There are 6 sessions held in Tokyo, and 6 sessions held in Gunma.

What languages are used at Code Quest camps?

All classes, activities, and interactions with instructors are in English. Depending on the camp we will have some staff who can communicate in Japanese. Code Quest camps are great for English language immersion, but we do require students have at least conversational level English to ensure the safety of all campers.

What is your cancellation policy?

Our cancellation policy is as follows:

- 100% refund 4+ weeks before camp start date
- 50% refund 2-4 weeks before camp start date
- 0% refund less than 2 weeks before camp start date

My children attended Code Quest last year. Will they learn new things this year?

Absolutely! Our camps are carefully constructed to have new curriculum and projects each week, guaranteeing campers will always get the chance to experience something new.

Is transportation provided for Code Quest camps?

Yes. For Gunma camps, there will be transportation to and from Tokyo and our Gunma cabin. For all camps, trains and buses to excursion locations are all included in the camp fee.

What is the daily schedule for Code Quest sleepaway camps?

Each day at our sleepaway camps includes STEM lessons and an outdoor activity.

Here is a sample schedule for 1 day at Code Quest Gunma:

- 7:00am-8:00am - Wake up
- 8:00am-9:00am - Breakfast
- 9:00am-12:00pm - Programming Lessons
- 12:00pm-1:00pm - Lunch
- 1:00pm-5:00pm - Outdoor activity (hiking, canoeing, water park, etc.)
- 5:00pm-6:00pm - Shower/Clean up
- 6:00pm - 7:00pm - Dinner
- 7:00pm-9:00pm - Night-time activity (game/movie night, campfire, etc.)
- 9:00pm-10:00pm - Free time
- 10:00pm - Lights out

Booking and Cancellation Policy

Reserve your child's spot with our easy registration process – just fill out the brief form for your desired camp session!

Our cancellation policy offers flexibility, with 100% free cancellation up to 4 weeks before the camp start date and 50% up to 2 weeks before the camp commences.

Note – there is no refund for cancellations within 2 weeks prior to the camp start.
